Budget/Treasurer Report discussed

Will begin working on budget for next year

On reports, line added to look at income without booster or uniform fees (only included fundraising) to show importance of Booster and uniform fees.

Questions: Donna Mason asked about equipment, how does school fund this, Mr Stowe discussed the money the music program gets from the district and read off what is to the band specifically and what has been used. We are actually over budget on transportation by \$6000. New this year, pay to participate fee \$150. \$100 will go to transportation/supplementals \$50 to uniform fund due to increased cost of uniforms.

Just asked district for more uniforms. Question if adjustment has been taken out of the numbers on the treasurers report, No this is what we, the boosters paid, we are not getting anything from the district.

Questions regarding how report compares to budget. questions on fundraising, example Schmidt's, and Rose parade, where is fundraising money on report. It is listed in the general account. Amounts are in the charms accounts. Some of the fundraising may never go anywhere.

Danielle Sillings- Band Fest Question, we host, whole separate thing \$ raised

Mr Stowe
