Meeting minutes from Sept. 2023 were approved 1st: Natalie Matney, 2nd: Ruth Katona

Contest this weekend went very well. Food was well received, had enough, and not too much left over. 17 - 4 ft subs were ordered. Students were well behaved, polite and did amazing at the contests.

Concession help seems to be ok for Friday so long as the student volunteers arrive. Still need mac n cheese.

VP:

Ronald McDonald Donation Day at our local McD's. Band has been split, Mr. Stowe will post/inform the students. Event runs from 9-11, students play pep tunes and collect donations. 100% of money collected is donated to Ronald McDonald House of Columbus.

Spirit tent/table: On going at every home game. Have made about \$1000 total, hoping to make big sales this Friday as this will be the last game it is run. Patty will be attempting to reach out to the feeder schools for some of the items, perhaps teachers want to purchase?? These items were donated to the band and are 100% profit.

Der Dutchman sales are going on right now. Orders are due on October 30. There will be collection times and locations posted as we get closer to that day. Orders will be picked up on November 20 and disbursement will be at the visitor concession stand that evening via sign up times on a Sign Up Genius. Profits are divided between charms and general band account. We will need 3-4 sorters at the concession stand once the orders are delivered.

Breakfast with Santa:

December 2, morning event. Times will be specifically announced as we get closer. Many volunteers needed. Craft coordinator is filled, but will need raffle basket person, bake sale

person, and many hands needed! Great community event with orchestra, jazz band and chorale performing at 2 seatings. There will be 2 shifts for volunteers.

Mr. Stowe: (Information given to exec board to pass on)
Christmas concert on December 14, 7:00 pm. PAC

Trip Information:

Most information will be shared at the final meeting. Questions regarding money to send, Patty put the suggestion forth of \$20 per meal that is the participant's responsibility. That may be too much at some meals, and not enough at others, but should average out. This was a guess.

Jackets will likely be disbursed at the final parent meeting on October 30.

Chaperones will likely be in touch the week prior to this meeting. Should you have anything your chaperone needs to know, please convey it to them at that time. Special diets, allergies, etc.

Medications will need to be registered with Mr. Knapp. This includes OTC items like allergy meds, ibuprofen, etc. More information on that will come soon.

Treasurers:

Nothing to report
