Welcome – Brian Wisniewski

Guest – Ryan Jenkins- Provided information to the group regarding what the district provides to the band and music programs. All of this information is available on the district website, (fiscweb) updated nightly. Budget is the same on both sides of the district. **All** music programs, not just band, 6-12 grades.

District purchased 500,000 worth of large size instruments (ones that can not be taken onto a bus so that kids have instruments at school, band and orchestara) paid for over years. Total each side of the district, \$59,500 for all music programs 6-12, band choir and orchestra combined.

Booster groups go above and beyond what the district can do, optics wise. Boosters have a vital role. Boosters make band program go above and beyond and makes this program something that is fantastic!

No questions
