President: Donna Mason:

Calls meeting to order

- Booster fees, an increase from \$150 now at \$175. What is pays for discussed. Extra fees not covered by the district, travel, instruments, music, supplemental staff, extra things, etc.

- Ryan Jenkins introduced:

He discussed what district does for the band. District partnership. Made relationships with the directors. 4-5 years ago there was put into place a dedicated budget 6-12 grades, both sides of the district. This increased over the years, now \$110,000 (\$55,000 per side) grade 6-12 music, (band, orchestra an choir).

Several accounts, Peterman covered per policy, 2 away games, n/c games, OMEA, discretionary amount

\$15000 band transportation budget 18-19

So \$55,000 - \$15, 000 - \$2500 (choir) - \$2500 (orchestra)= \$35,000 left.

Also: \$28, 000 per side for instrument repairs, new instruments...

This is published and available per the district. (detailed)

4 years ago bought big instruments for district.

Partnership:

school pay to participate fee \$150 which includes \$40 uniform rotary replacement.

Every 5 years, buy new on each side of district. (So that is every 10 years) \$110 all extracurriculars pay to support salaries, benefits, supplemental contracts. This is only a 50% subsidy, general fund picks up the rest.

- Question of increase in fees: this is due to additional staff, additional stuff for the band. It has been over 10 years since an increase.
State travel – busses for kids
We will not be doing the cheese/sausage fundraiser (claps)
Rose parade is separate from us (Boosters), fundraising we do does not go toward the parade
Purple bus in falling apart
We want to add to the program
- Question/comment, Giant Eagle does something similar to Kroger, We can look into it.
- Questions, At beginning or end, do we talk about goal/ Are we achieving it?
